## SMART LIFTER LP

This easy to use portable/travel mobility scooter and wheelchair hoist by Autochair can lift up to 200kg. Using a 4-way crane lift, the hoist keeps a tight and secure handle on your scooter as it gently glides it from the ground into the boot of your car. With over 350 different installation plans, this hoist fits into a vast range of hatchbacks, 4x4's, MPV's, vans and station wagons.

125kg, 150kg and 200kg capacity options

Ideal for lifting wheelchairs and scooters

Fits 350 different types of vehicles

Very easy to use remote

Lift and load in under 60 seconds

# HOW THE SMART LIFTER WORKS

**1** Attach the scooter or wheelchair using the easy to use attachment strap or carabiner hook.

**2** Press the button to begin hoisting.

**3** Gently guide your mini scooter or wheelchair as it lifts.

**4** Ensure that your scooter is past the lip of your boot before disconnecting the hoist.

125 kg

150 kg

200 kg

Available in 125kg, 150kg and 200kg weight capacities
